

Alabama Propane Gas Association

2021 Additional Grant Request

In addition to the 67,000 grant awarded in October 2020 for Industry Training, we are seeking an additional \$50,000. The Association is requesting an additional \$50,000 to be added to the \$67,000 already awarded to subsidize training costs to conduct the following training in 2021 for industry employees: HazMat/Security Awareness; Basic Principles & Practices; Propane Delivery Operations - Bobtail; Basic Code Application of NFPA 54; Dispensing Propane Safely; Vapor Distribution Series; and other educational courses which might be added throughout the year. The grant will cover the costs of creating/distributing registration; course management to include registration, course oversight and submit final payment documentation; materials; tests; instructor fees/expenses; consulting; room rentals; attendee hotel rooms for multi-day courses; equipping the training room with technology for virtual training, and other items that are necessary to conduct courses.
